# OUR STORY

*Ignite your creativity, engage your senses,  
explore new worlds*

Bookish Bakes was founded in 2021 by Amanda Saxby – recipe developer, voracious reader, and mental health advocate – with the aim of helping people reduce their stress and anxiety through the mindful activities of baking and reading.

Our baking kits are designed to immerse you in the world of the book. Each bake is taken directly from the pages or inspired by the themes, setting, or characters to create a joyful, sensory reading experience that helps you recharge and reduce stress.

# WHY BOOKISH BAKES?
