# OUR STORY

*Ignite your creativity, engage your senses,  
explore new worlds*

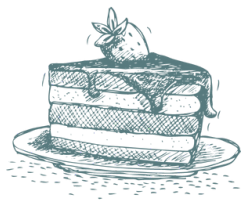

Bookish Bakes was founded in 2021 by Amanda Saxby – recipe developer, voracious reader, and mental health advocate – with the aim of helping people reduce their stress and anxiety through the mindful activities of baking and reading.

Our baking kits are designed to immerse you in the world of the book. Each bake is taken directly from the pages or inspired by the themes, setting, or characters to create a joyful, sensory reading experience that helps you recharge and reduce stress.

# WHY BOOKISH BAKES?

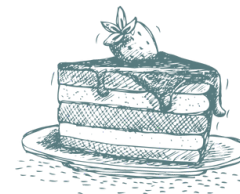

## Unique & Memorable

Bookish Bakes kits are more than a 'dump-and-bake' mix – they're a unique, immersive reading experience that connects you more deeply to the story through your senses.

## High-quality Products

We pride ourselves on our delicious, meticulously tested recipes that are easy to follow and fun to bake. Our ingredients are sourced from UK farms and manufacturers.

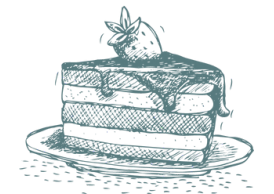

## Eco-friendly & Reusable

We're committed to doing our part for the planet. We only use fully recyclable and biodegradable packaging and our recipe cards come with measurements in order to be reused.

## Charity Donation

Your order gives back to our community. Bookish Bakes donates 2% of our annual sales to a local UK charity. In 2023, we're supporting YoungMinds.

## Woman-owned Business

Bookish Bakes is a female-led company. Your order supports women in business and expands our reach, making it possible for us to help others with their mental health.

Next to it are several round, golden-brown cookies. In the bottom left, an open book is visible, showing a page with text from Jane Austen. In the bottom right, a brown cardboard box is partially visible, with the word 'bookish' written in a black, cursive font. A white rectangular box with a black border is centered on the page, containing the text 'BESPOKE BAKING KITS' in a bold, dark red, sans-serif font.

there be finer symptoms? Is not general incivility the very  
essence of love?  
'Oh, yes! - of that kind of love which I suppose him  
to have felt. Poor Jane! I am sorry for her, because, with  
her disposition, she may not get over it immediately. It  
had better have happened to *you*, Lizzy; you would think she  
laughed yourself out of it sooner. But do you think she  
would be prevailed on to go back with us? Change of  
scene might be of service - and perhaps a little relief from  
home may be as useful as anything.  
Elizabeth was exceedingly pleased with this proposal,  
and felt persuaded of her sister's ready acquiescence.

# KIND WORDS FROM OUR CLIENTS

---

**Bookish Bakes delivers such high-quality bakes; it adds something extraordinary for your readers to experience.**

Using the bespoke service was brilliant. Amanda was confident and helped me understand what she was doing every step of the way. She provided a clear timeline and delivered everything on time.

The bake she came up with was just right for my main character, and I felt like Amanda went above and beyond in sourcing an ingredient mentioned in my novel, too.

Amanda's skill as a photographer as well as a baker really brings this experience to life. I wanted to reach into my photographs and eat the bake, and it was delightful to see the atmosphere that she had created for the book.

I would recommend this service to any author or publisher!
